Hi All and welcome to July and a slight lifting of restrictions and a chance to get to visit friends and make a few plans. I am sitting on the shore of Lake Raystown dictating this letter to my "staff". OK, I am trying to help a Jackie remember what all we discussed at our meeting on Sunday. Lol

I thought we would have a short quick BOD meeting at the picnic but it seems there was a lot to decide about how we are going to deal with the couple of summer events that are still on the schedule. Cooks night out has been a favorite but finding a place to have it is kind of a problem. Someone suggested that we just turn it into pot luck and have it at our garage in August and encouraged the Blattenberger's to bring the great ice cream with them! Loy and Betty thought that would work so Cooks Night Out is now Cooks Afternoon at the Garage at 3:00...come on out!

Since the Delgrosso Show got cancelled the club has decided to try and get as many cars as possible to come out for the Swigart Show! It will be our only show this year. We will supply 150 dash plaques this year and it sounds like the museum has a great donor who will cover half of everyone's pre entry and give out free T shirts. Sounds like a great day so let's all get out for it.

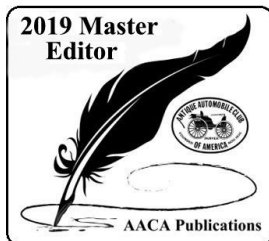

One way we thought we could get some word of mouth about the show was with a Facebook page for the Allegheny Region. Jackie will get us a page set up and all the info will be on there. Page should be ready in about a week as we are camping right now!

Another idea we discussed is a Pinewood Derby! When Scott and I went to the AACA National meeting last year we watched the Pinewood Derby sponsored by AACA. It was a great event and people had a wonderful time. I took pictures and told Jackie about it and she thought we should have one here in the AMR and then we could send the winning car, or cars, to the nationals. Everyone at the picnic agreed! John Mueller said his Church sponsors a scout troop so they can probably hook us up with a track. John also said his businesses would do 6 cars so you guys better all bet on the ball! There are 20 Pinewood Derby kits ordered and we can get more if we need them. They will be here next week. The cost of a kit will be \$5.00. You can pick one up at the Cook's night out in Aug. or at our house anytime. Just call Bill. We will post the rules from AACA on our FB

Website

President's Message pg. 2

page and will have paper copies to hand out too. At this point we think our race will be in Nov. More info to come!

All in all the picnic and the meeting were a success! We got to enjoy good food and the company of friends! It was a great day.

Get your cars, metal and wooden, ready for a great summer and fall, we have a lot of catching up to do!

Bill (where the heck did I put that Dremel tool) Forsht

Calendar of Events

August 7-8	Swigart Museum Meet with Allegheny Mtn. Region
August 23-25	Region Tour to Allentown, PA
September 27	DelGrosso Show CANCELLED
October 10	Fall Foliage Parade, Bedford - PA Fort Bedford Region
October 21	Cook's Nite Heidelberg C.C., Altoona (as of now)
November 18	Cook's Nite Jethro's, Altoona (as of now)

National Activities Schedule Up-dated.

Annual Grand Nationals at the NB Center for American Automotive Heritage in Allentown, PA, to August 21 and 22, 2020.

Eastern Fall Meet - Hershey, PA Car Show Only October 10, 2020

Additional dates and information will be listed as they are planned. Our email correspondent Cathy Searer will also be sending emails as needed.

Hang in there, we will get through this!

NOT Closed for Business

By Steve Moskowitz, AACA CEO

These times are certainly a gigantic challenge for all of us and most likely the biggest challenge we have ever faced as a world, country and individually.

There is a lot of pain and suffering occurring, but in the midst there are all sorts of wonderful things happening.

In the scheme of life and death, health or no health, the car hobby may feel insignificant. In that respect it is. However, some day the virus will be contained, life will get back to a new normal and we, as the most progressive and optimistic country in the world, will find a way to start enjoying life again. In the meantime, many of you have down time and are

missing getting out with your cars and socializing.

I am certain, many of you are finding garage time with your cars and handling needed projects at home. You may not be aware that there are other active ways you can get involved in AACA and the hobby by simply heading to your computer. There is an extremely active community at www.aaca.org. Our forums are buzzing with interesting topics, one, "Period Images to relieve some of the Stress" should reach 50,000 views by the time you read this and race car fans can see an amazing thread of early photos title "Period RACE Car Images to relieve stress." There are many other topics you can read or join in on the conversation.

We also have two Facebook sites, the club official site is Antique Automobile Club of America and there is a very active group site that is approaching 20,000 members, AACA Antique Automobile Club of America. These are also great ways to interact with fellow members and hobbyists from all over the world

Make sure we have your correct email address at national, as the monthly *Speedster* online magazine will not miss an issue. If you are not getting it or not bothering to open it up you are missing the latest news on the club. It is especially important now given our changing environment to stay up to date as to what is happening with the club.

Your national staff has not missed a bit. We are here for you. You can reach us by mail, phone or email. Staff is working from home but we are finding ways to get the job done so do not be hesitant to reach out to us.

JUST FOR THOUGHT

Who Packed your Parachute? Via Emery Turner

Charles Plumb was a US Navy jet pilot in Vietnam. After 75 combat missions, his plane was destroyed by a surface-to-air missile. Plumb ejected and parachuted into enemy hands. He was captured and spent 6 years in a communist Vietnamese prison. He survived the ordeal and now lectures on lessons learned from that experience!

One day, when Plumb and his wife were sitting in a restaurant, a man at another table came up and said, 'You're Plumb! You flew jet fighters in Vietnam from the aircraft carrier Kitty Hawk. You were shot down!'

"How in the world did you know that?" asked Plumb.

"I packed your parachute," the man replied.

Plumb gasped in surprise and gratitude.

The man pumped his hand and said, "I guess it worked!"

Plumb assured him, "It sure did. If your chute hadn't worked, I wouldn't be here today."

Plumb couldn't sleep that night, thinking about that man. Plumb says, "I kept wondering what he had looked like in a Navy uniform: a white hat; a bib in the back; and bell-bottom trousers."

I wonder how many times I might have seen him and not even said, "Good morning, how are you?" or anything because, you see, I was a fighter pilot and he was just a sailor. Plumb thought of the many hours the sailor had spent at a long wooden table in the bowels of the ship, carefully weaving the shrouds and folding the silks of each chute, holding in his hands each time the fate of someone he didn't know.

Now, Plumb asks his audience, "Who's packing your parachute?" Everyone has someone who provides what they need to make it through the day. He also points out that he needed many kinds of parachutes when his plane was shot down over enemy territory - he needed his physical parachute, his mental parachute, his emotional parachute, and his spiritual parachute. He called on all these supports before reaching safety.

Parachute? Pg.2

Sometimes in the daily challenges that life gives us, we miss what is really important. We may fail to say hello, please, or thank you, congratulate someone on something wonderful that has happened to them, give a compliment, or just do something nice for no reason.

As you go through this week, this month, this year, recognize people who pack your parachutes.

I am sending you this as my way of thanking you for your part in packing my parachute. And I hope you will send it on to those who have helped pack yours!

Sometimes, we wonder why friends keep forwarding jokes to us without writing a word. Maybe this could explain it! When you are very busy, but still want to keep in touch, guess what you do - you forward jokes. And to let you know that you are still remembered, you are still important, you are still loved, you are still cared for, guess what you get? A forwarded joke.

So, my friend, next time when you get a joke, don't think that you've been sent just another forwarded joke, but that you've been thought of today and your friend on the other end of your computer wanted to send you a smile, just helping you pack your parachute.

Car Trivia

Free Trivia

1. How many Dodge Chargers were used in original "Dukes of Hazard" TV show?
2. What taillights did the 1968 Shelby Mustang use?
3. What is really under the hood of a 1069 Chevrolet COPO (Central Office Production order) Camaro?
4. What color was the first Camaro to come off the production line?
5. What was the name of the car Chrysler built in 1940 as a publicity stunt? How many were made?
6. How many Plymouth Hemi Barracuda Convertibles were ever made?
7. What does the word Automobile actually mean?

ALLEGHENY MOUNTAIN REGION AACA

Board of Directors Meeting

June 28, 2020

The Board of Directors of the Allegheny Mountain Region held their meeting on Sunday, June 28, 2020 at the Entertainment Room at the home of Bill and Jackie Forsht in Altoona.

Those present were President Bill Forsht, Vice President Randy Clemens, Treasurer and Vapor Locks Editor Gladys Guyer, Jeff Boring, Paula Clemens, Jackie Forsht, Bill Guyer, Secretary Pat Swigart and Region Members, Polly and Zach Boring, Herb Detrich and John Mueller. Absent were: Scott Deno, Earl Eby, Ed Hinkle and Mike Walter

President Forsht called the meeting to order at 1:30 P.M. He presented the National AACA Master Editor Award Certificate to Vapor Locks Editor Gladys Guyer. Congratulations Gladys on another job well done. Gladys has received this award almost every year that she has been editor of the newsletter

The minutes of the January 12th Annual Meeting were included in the January-February issue of the Vapor Locks.

Treasurer Guyer presented the Financial Report. Jeff Boring suggested the possibility of putting the money from the Reliance Bank account into a 36 month CD. Gladys will check on this. The Minutes and Treasurer's Report were accepted upon motion of Paula, seconded by Jackie.

NEW BUSINESS

Jackie Forsht suggested that the Region get some Pinewood Derby cars and have sponsors for a Derby race. This would be held around the end of the year. The winning car would then be sent to the Annual Meeting in Philadelphia to take part in the Pinewood Derby that is held at that time. The group thought this was a great idea so Jackie will order 20 models and receive a copy of the Boy Scout Pinewood Derby rules. There are several Derby Races held in the Altoona area so we will check at a location where the race could be held.

Due to the ongoing COVID-19 pandemic, restaurants are still not back to full operation. For that reason, the July and August Cook's Nite Out will not be held. It was suggested that we have another picnic at the Forsht's on August 23 eating at 3:00 P.M. Bill will provide hamburgers and hot dogs. There will be a board meeting at 2:00 P.M.

Board of Directors Meeting pg. 2

As Del Grosso's is closed for the season due to the virus, it was suggested that we combine the Del Grosso show with the Swigart Museum Show on August 7 and 8. The region will pay for 150 dash plaques. A discussion of how to contact the non-region persons who attend the show in Altoona. A suggestion was to set up a Facebook page for the Region. Jackie Forsht volunteered to set this up. Upon motion of Jackie, seconded by Paula the two shows will be combined and we will have a permanent Facebook page. Motion carried.

The Fall Dinner was discussed. Jeff Boring said there is room at his building in Dysart. We will need tables and chairs brought in. John Mueller will check on a caterer.

The region tour to Allentown was explained in the May-June issue of the Vapor Locks. At this time the tour is still planned.

At the meeting in January a motion was made to send \$1500.00 to the Scholarship program at Pennsylvania College of Technology. As the college is not in operation at this time and the Restoration program is uncertain, this was tabled until the next meeting.

A lengthy discussion about the current situation of COVID-19 followed to include the future of our events.

Upon motion of Jackie Forsht, seconded by Gladys Guyer the meeting was adjourned at 2:45 P.M.

After the meeting more region members joined in and enjoyed the delicious treats brought by those attending. A Big Thank You to Bill and Jackie for their hospitality.

Respectfully submitted,

Patricia B. Swigart, Secretary

THE EDITOR'S DESK

Oh my goodness summer is going by quickly. I hope you have been able to take your car out for some fun.

Bill and I have had the cars out several times. One rainy evening we took the Plymouth out joining a few brave souls at the Elmwood care facility in State College for residents to see the cars. It was worth being in the rain just seeing the resident's smiles and waves as we drove by. We have also been out and about in the convertible. It was our wheels to the Forsht's picnic and we have been enjoying it out for evening drives.

This issue of Vapor Locks is being published early to allow time for registering for the Swigart Museum/Region show. It will be a great event!

Stay healthy and safe, and we'll meet you on the road soon.

Gladys

Let's Go To The Races!

Support AMR by designing and painting a pinewood derby car for the Region's first derby car race. Have some fun and make a car!

When Scott Deno and Bill Forsht went to the AACA National meeting last February they watched a very

good race. AACA sponsored a Pinewood Derby race. It was a great event participants as well as spectators had a great time.

Bill took pictures and told Jackie about it and she thought we should have one here in the AMR and then we could send the winning car, or cars, to the National Meeting. Everyone at the picnic thought it was a good idea and we should do it. We already have some commitments but we want more!

Details are not yet worked out but...there is 20-\$5.00 Pinewood Derby kits ordered for those who would show their talents with a car. Jackie will get more if we need them.

Kits can be picked up at the Cooks Night out in Aug. or at the Forsht's house anytime.

JUST FOR THOUGHT

Have you had your antique car on a road trip like this?

Father takes Son on a "Road Trip"

Free from Reshareworthy

A very wealthy father took his son on a trip to the country for the sole purpose of showing his son how it was to be poor. They spent a few days and nights on the farm of what would be considered a very poor family.

After their return from the trip, the father asked his son how he liked the trip. "It was great, Dad," the son replied. "Did you see how poor people can be?" The father asked. "Oh Yeah," said the son.

"So what did you learn from the trip?" asked the father. The son answered, "I saw that we have one dog and they had four. We have a pool that reaches to the middle of our garden and they have a creek that has no end. We have imported lanterns in our garden and they have the stars at night. Our patio reaches to the front yard and they have the whole horizon.

"We have a small piece of land to live on and they have fields that go beyond our sight. We have servants who serve us, but they serve others."

"We buy our food, but they grow theirs. We have walls around our property to protect us; they have friends to protect them. " The boy's father was speechless. Then his son added, "Thanks Dad for showing me how rich people live. They're so lucky."

Moral: **Sometimes it takes the perspective of a child to remind us of what it important.**

BOARD MEETING

A Board Meeting has been schedule for

August 30, 2020 at 2:00

at Bill and Jackie Forsht's

Everyone is welcome!

"FORSHT'S PICNIC"

It was so good to get out in the "old car "on Sunday the 28th for a picnic at the Forsht's.

It was a great day, the weather was sunny; there was food and fellow car club friends to enjoy the afternoon with! What more could we ask?

Chef Randy and Bill did a super job grilling the burgers and dogs to perfection. They were absolutely DELICIOUS!! Great job guys!

Jackie took charge of the covered dishes to accompany the burgers and dogs. The tables were full of a wide array of sides brought by those attending. . Everything was so-ooooo good which made it easy for some (no names mentioned) to eat a bit too much. Let's blame it on Randy and Bill who started it with the perfectly grilled burgers and dogs.

Everyone had a great afternoon catching up and enjoying each other's company. It was wonderful to see everyone.

THANK YOU Bill and Jackie for hosting our picnic.

Weekend Tour

August 21, 22, 23, 2020

Tour organizer Scott Deno

Time to get "old cars" out for a weekend tour?

CONTACT SCOTT For additional information and advise **YOU WOULD LIKE TO JOIN THE TOUR.** 814-238-4031 or email nsded@hotmai.com asap.

JULY 10, 2020
COLLECTOR CAR APPRECIATION DAY

Collector Car Appreciation Day (CCAD) will be officially celebrated on July 10, 2020. The date marks the eleventh consecutive commemoration in what is now an annual holiday to raise awareness of the vital role automotive restoration and collection plays in American society.

Intended to celebrate the classics of the past and the future, the U.S. Congress has helped launch CCAD by introducing resolutions each year at the SAN's request. The previous resolutions were sponsored by co-chairs of the SEMA-supported Congressional Automotive Performance and Motorsports Caucus. These Congressional leaders have been strong advocates for the automotive hobby in Washington, D.C., and recognize the integral role collector cars have played in fostering our nation's appreciation for the automobile's unique historical place in our history.

OPAL

In the last issue of VL I asked if anyone ever owned an Opal. Well it seems that Jackie Forsht had a 1968 Opal Kadett and Bill in his younger days had an Opal GT and has lots of fun memories of it.

Bill thinks it was powered by 2 chipmunks and a rubber band and the back windows fell out every time you opened them, but it was the first car he ever owned and will remember it forever. I am sure there is a story there and can't wait to hear about it!

COOK'S CORNER

Gladys Guyer

Ice cream Cookie dessert

1 package (15-1/2 ounces) Oreo cookies, crushed, divided
1/4 cup butter, melted
1/2 gallon vanilla ice cream, softened
1 jar (16 ounces) hot fudge ice cream topping, warmed
1 carton (8 ounces) frozen whipped topping, thawed

In a large bowl, combine 3-3/4 cups cookie crumbs and butter. Press into a greased 13x9-in. dish. Spread with ice cream.

Drizzle fudge topping over ice cream; cover and freeze until set. Spread with whipped topping; sprinkle with remaining cookie crumbs. Cover and keep in freezer. Remove from the freezer 10 minutes before serving.

3 Ingredient Pineapple Lemonade

1 quart prepared lemonade (Country Time mix or homemade)
2 cups pineapple juice
2 cups Sprite or lemon lime soda

Mix ingredients well
Chill until ready to serve.
Stir well before serving.

**My cooking is fabulous
even the smoke alarm is cheering on me on!**

COOK'S NITE OUT

No cooking tonight!

Gladys Guyer

We have had to cancel the last several Cook's Nites because of the coronavirus. We have certainly missed our friends and the fellowship.

At the Board meeting held at the Forsht picnic we were bummed we had to cancel July's Cook's Nite.

The members starting talking and Bill and Jackie said, why not come here for Cook's Nite in August and have it on a Sunday afternoon? Everyone thought it was a great idea so on **Sunday, August 30th** we have been invited to the Forsht's for a "Cook's Covered Dish" afternoon.

Randy and Paula have volunteered to cook sausage, onions and peppers. Loy and Betty Blattenberger are providing us with delicious dessert. All that is left is the covered dishes and everyone is asked to bring one.

Sounds like loads of fun so bring the "old car" and enjoy the afternoon.

Please let Bill and Jackie know if you will attend. 943-8766 or email Jackie. setter4@hotmail.com

The Luscious Banana Split

Wikipedia

When AMR members are out on a tour, we have to have ice cream. It tastes so good on a HOT day and Latrobe, PA is credited with the invention of the banana split.

David Evans Strickler, a 23-year-old apprentice pharmacist at Tassel Pharmacy, located at 805 Ligonier Street in Latrobe, Pennsylvania, who enjoyed inventing sundaes at the store's soda fountain, invented the banana-based triple ice cream sundae in 1904.

David Strickler who “had sliced a banana in two, added scoops of strawberry, vanilla and chocolate ice cream, three kinds of flavored toppings and whipped cream” in 1904. This ingenuity had allowed for the creation of the delicious dessert, but there was no proper way for it to be served. This prompted Strickler to elicit outside help from a glassmaker in Grapeville

who created the first “banana boat” to house his masterpiece.

David Strickler ,a.k.a. Doc Strickler, has been crowned the king of the banana split dessert by Pennsylvanians and Americans alike. Strickler was attending the University of Pittsburgh at the time. Thirty miles from Pittsburgh, Strickler worked as a soda jerk for Tassell Pharmacy in Latrobe.

In the early 1900's, the soda fountain business flourished and was a very popular social spot. The employees (also known as soda jerks) were seen by the public as masters of their craft. The soda jerk's duties entailed making ice cream and mixing soda drinks. Strickler recalled in an interview with Suzanne Martinson of the *Pittsburgh Post-Gazette*, “It was a fun job and a great opportunity to meet girls.” As the story goes, one day in 1904, a college student entered Tassell Pharmacy and asked Strickler for something “different.” This twenty three year old entrepreneur had many possible ingredients in front of him; all he had to do was put his imagination to work. Voila! The Banana Split was born! David Strickler continued to work at Tassell Pharmacy for many years. After mastering life

Banana Split

as a soda jerk, he eventually bought the Pharmacy. Upon taking ownership, the location was renamed Strickler's Pharmacy.

A traditional Doc Strickler banana split is composed of a single banana split in half lengthwise with each half strategically placed on opposing sides of the dish. Scoops of chocolate, vanilla, and strawberry ice cream are placed between the banana slices. The ice cream is then covered with chocolate syrup, whipped cream, nuts, and a cherry on top. If the bananas are cut crosswise, the dish would then be a “banana royale.”

When Doc Strickler premiered the split, it was only a whopping ten cents! While this may sound like a bargain in today's economy, at the time it was actually quite expensive and was double the price of other sundaes. Students from nearby Saint Vincent College were credited in spreading awareness of the banana split across the globe. The college even hosted a make your own banana split buffet on special occasions such as parents' weekend and the beginning of school. When the students traveled to their hometowns on vacation, they shared the new creation with family and friends, increasing its popularity nationally and making the banana split a new favorite everywhere. And a favorite it has remained for over a century.

TRIVIA ANSWERS

1. A total of 309 Chargers were used throughout the popular series.
2. The 1968 Shelby's used the 1966 Ford Thunderbird tail lamps but the 1967 Shelby used tail lamps from the Mercury Cougar.
3. The ZL-1 427 V8 that sits under the hood of a '69 COPO Camaro is essentially an aluminum race engine.
4. The first Chevy Camaro was black.
5. In 1940 Chrysler built only 6 of the Newport Dual-Cowl Phaeton's.
6. Plymouth only produced 7 HemiCuda Convertibles for the 1971 production year. They are very rare.
7. Automobile means "self- moving. "Auto means "self" and mobile means "moving".

Our Deepest Sympathy

Linda A. (Casner) Eby, 76, of Huntingdon, passed away on Monday, June 1, 2020 at her residence, after an extended illness. She was united in marriage to Earl E. Eby, Sr. in 1962. Her husband of 58 years survives at their residence. In addition to her husband, she is survived by three children, Earl E. Eby, Jr. and his wife, Karin, of Huntingdon, Christine M. Hess and her husband, David, of Martinsburg, and Renee S. Eby of Huntingdon; five grandchildren and three great-grandchildren.

Mrs. Eby was a member of the Antique Automobile Club of America and the Central PA British Car Club; and was formerly an active volunteer with the Huntingdon Meals-on-Wheels for many years.

Primarily a homemaker, Mrs. Eby was employed by Winfrey's Custom Drapery, C.H. Miller Hardware Company, and Black's Jewelry Store, all formerly of Huntingdon.

Linda had a passion for flower gardening and was awarded Garden of the Month by the Standing Stone Garden Club. She also enjoyed traveling to Israel. Above all, she cherished spending time with her family, especially her grandchildren and great-grandchildren.

Allegheny Mountain Region would like to extend our condolences to Earl and the family.

Yester Years News 1950'S

Deviled Ham Spread - In the 1950's deviled ham spread was quite popular.

For a hearty meal right from the can during the 1950's the go-to was Dinty Moore Beef Stew

In 1955 Campbell's created green bean casserole as a way to sell more Cream of Mushroom soup. The casserole is a favorite 65 years later.

Jell-O Salad - Molded gelatin was all the rage in the 1950's

Olive Loaf Lunch meat was very popular in the 1950's and can still be purchased today.

Relish Tray - Back in the '50's it seemed as if every restaurant would serve a complimentary relish tray that included celery, carrots, radishes and olives in an oval dish of ice.

The 50 was the era of TV dinners. The first one to hit the marker, in 1953 is the most iconic of all. Swanson Frozen turkey dinner
