# The President's Message

Welcome Spring! I am happy to say that most of the events for the year are finalized, like the Spring dinner which will be at the Huntingdon Country club. This should be a “not to be missed” event: a very special program for a very special person (you must attend to find out who), entertainment, AND a cash bar. As if that wasn't enough, to encourage “getting out the members” the dinners will be ONLY \$10 per person. I feel sorry for any member who has a scheduling conflict with this event.

Scholarship - I am also happy to announce that the region board approved the scholarship to Penn College again this year. The award recipient will be determined by the college in April or May and hopefully, we can give you some details about our recipient then.

New members - I am hoping to have time at our next region board meeting to start several membership drive initiatives. Please consider attending with your ideas. Our next meeting is at the Mill Stone Manor Restaurant in Huntingdon on Friday evening May 12<sup>th</sup> at 5PM for supper and 6PM for the meeting (yes, the restaurant is back open, or I should say back in business, after the roof left the building).

2017 region calendar - To review the schedule for 2017 we have the Boalsburg Show, Forsht picnic, Tipton Show, Swigart meet, and cook's nights out are on the schedule (see calendar in this Vapor Locks for more details). Other local events include a 1 day tour in the Altoona area in May 20, a 1 day tour to the Amish Cheese factory in late July, a 3 day tour to the Potomac Eagle railroad in September, and a 1 day Fall foliage Grape Escape to Bedford area in mid-October. Most of the dates for the events are now set so please review the Vapor Locks calendar mark your calendars. As always, please forward suggestions or ideas you have to a board member or come to a board meeting.

National touring - Ellen and I have decided to attend the AACA Founder's Tour in Gettysburg June 4-9. The tour is for 1932 and NEWER antique cars. Please let me know if you plan to join us. It would be great to have additional region members to join us for the week. We also plan to attend the AACA Vintage Tour in Wellsboro, PA July 16-21 for cars 1932 and older. This is hosted by a great group, the Buzzard Breath touring region of AACA. We are undecided about the Glidden tour in Lincoln, NE September 17-22, even

# President's Message page 2

though I am sure region members Pat Swigart, Emery and Sheila Turner and Dave Kontor will be attending. Also don't forget the VMCCA Chrome Glidden Tour which is in Virginia July 9-14.

National shows - As far as national shows coming up soon, the AACA Spring meet is in Charlotte, NC on April 6-9 and the AACA Auburn Show is in Auburn, IN on May 11-13. Both are super events. I would love to attend one of these, but nothing is confirmed as of today. Call me any time and encourage me to go!

AACA museum merger - For those hoping for some better news regarding the merger between AACA museum (the name has not yet changed as of today) and AACA national, I have no new news. Unfortunately, as of today it appears that financial pressures have not yet become strong enough to bring the museum back to the bargaining table. As I said before, I believe that financial pressures will ultimately produce a merger. Of course, it would have been far better for everyone if the museum had followed a more cooperative route in the past. When I see something that the region can do to help affect the merger I will tell the region, however, at this time, I have not identified anything we can do.

Fun - Getting back to having fun, our next cook's night out is at Dave's dream in Hollidaysburg at 6:30PM. Be there! And again, our next regi on board meeting is at Mill Stone Manor Restaurant in Huntingdon on Friday evening May 12<sup>th</sup> at 5PM for supper and 6PM for the meeting.

Look forward to seeing you at an event soon. And, as always, feel free to contact me anytime and anywhere about comments, ideas, concerns, and suggestions.

Personal - Oh yes, I almost forgot an important event this week – our granddaughter, Riley, just took her first steps just days after her 1<sup>st</sup> birthday. Look for this little jewel at the Boalsburg Show.

Back to the shop!

Your President, Scott Deno

**Allegheny Mountain Region Board Meeting**  
**February 18, 2017**  
**Mill Stone Manor Restaurant, Huntingdon, PA**

**Board page 2**

In attendance: President Scott Deno, Vice President and Vapor Locks Editor Gladys Guyer, Treasurer Pete Searer, Secretary Patricia Swigart, Board Members, Bill Guyer, Cathy Searer, and Robert Struble.

The meeting was called to order at 1:10 P.M. by President Deno.

The minutes of the January 21, 2017 Board Meeting were published in the Vapor Locks. Upon motion of Cathy Searer, seconded by Pete Searer minutes were approved. Motion carried.

The Financial Report was given by Treasurer Searer. Upon motion of Gladys Guyer, seconded by Pat Swigart, the treasurer's report was received. It will be filed for audit.

### Old Business

#### Membership Badges

Gladys has been working on Membership Badges. She presented two different ideas for consideration. Upon motion by Cathy, seconded by Pete it was decided to get the badge with the picture of the mountains on it in. Upon motion of Pete, seconded by Cathy it was decided to charge \$5.00 a piece for those members wishing to have one. Gladys will put the information in the Vapor Locks.

It was suggested at the January Board meeting to check on polo/golf shirts to be used for Region events such as meets, tours and shows. Gladys will look into this. It was decided a light blue shirt with ALLEGHENY MOUNTAIN REGION AACA on the front would look very nice. The price of each shirt will be decided that we will charge about \$10.00 each. Again, the order form will be in the Vapor Locks.

### New Business

#### Feather Flags

Fred Hammer suggested that we get a Feather Flags to be used as an attraction for our shows. After discussion, this was tabled for future consideration.

#### Boalsburg Show

Gladys suggested that we get a Lottery Tree such as we had for the Founders Tour and also a Money Cake and sell raffle tickets. She will check with Susan Romanian to see if she will get the Lottery Tree. Gladys volunteered to make the Money Cake. Upon motion of Cathy, seconded by Pete, it was decided to have both of these money making things at the show but not to spend more than \$100.00 each in making them.

Last year we got \$500.00 worth of Sheetz Gift Cards for random drawings at the shows. Cathy volunteered to get them again this year.

Last year Fred and Nina contacted businesses for contribution for the random drawing and got a tremendous amount of items. They are willing to chair this this year but will need some additional help. Anyone who is willing to help should contact Fred. Gladys and Scott stated they would help. Gladys has worked on an informational paper to be given to businesses in order to make them aware of what their donations are used for. She has also made up a paper to be given to participants at the show.

Gladys will be in charge of Registration. At this table she will have the AACA flyers to give to non-members.

Fred and Nina will take charge of the Membership table.

Scott would like to have anyone available to help set up be at the field on Sunday evening at 6:00 P.M. and take down after the show.

Gladys presented an idea for consideration which was support a nearby Region by attending an event. She suggested the Kuntz town Kruiise which would allow us to do a 2 or 3 day tour. President Deno stated he really liked the idea of supporting a nearby region but wanted it to be Clearfield Region. He is checking to see when the Clearfield Show is being held. This is a topic for the next Board Meeting.

Gladys also suggested a one day tour to Hanksters in Indiana, PA. President Deno stated we would keep this in mind as a possibility in the future.

### Schedule

The balance of the events for the year 2017 was finalized. See listing in this issue of the Vapor Locks.

The Spring Dinner will be held at the Huntingdon Country Club on April 29th. To continue trying to get new members and having more members participate, a motion was made by Pete, seconded by Cathy that we charge \$10.00 a person for this dinner. See the reservation form in the Vapor Locks. Pat will be in charge.

The next meeting of the Allegheny Mountain board will be held on Friday, May 12, 2017 at the Mill Stone Manor. Dinner will be at 5:00 P.M. with the meeting at 6:00 P.M. All members are welcome to attend.

### Adjournment

Upon motion of Gladys, seconded by Cathy the meeting adjourned at 3:40.

Respectfully submitted,

Patricia B. Swigart, Secretary

### Maintaining Regions' and Chapters' Vitality

By William Gardner  
VP Central Division  
Development and Support

During recent years, many AACA Regions and Chapters have been faced with challenges of maintaining and growing their membership. These challenges are, in part, based upon: a) an inactive or aging membership; b) a lack of good leadership within the organization; or c) attracting new AACA members to join their Region or Chapter.

The following suggestions are provided for Regions and Chapters to consider in addressing these challenges. Regarding the inactive or aging membership challenge, Region and Chapters should consider examining the date/time and type of their activities. Typical dinner meetings could possibly be altered to luncheons or members could plan to arrange transportation for members with transportation needs. Sometimes just altering the meeting time or date could affect attendance. Addressing the transportation needs of individuals can express to them that their presence is still appreciated and welcomed. Finally, changing the types of activities could enhance attendance of inactive members. A personal phone call to an inactive member may initiate their participation in future activities.

Good leadership is essential for Regions and Chapters to remain vital. The elected officers should understand their respective responsibilities and duties and be willing to serve and abide by the adopted By-laws, in addition to the principles and purposes of AACA. One aspect of a good leader is the ability to request feedback and be open to suggestions. Another leadership aspect is getting members involved and feeling a part of the group. A third aspect is keeping the membership informed of future activities for planning purposes. This can be accomplished by having an active newsletter and/or website.

The third challenge of attracting new AACA members can be addressed by fellow Region or Chapter members looking for opportunities for membership growth when attending local antique car shows or cruise-ins. An application and contact information can be placed on the windshield of an antique vehicle at these events. An AACA membership table could be established at these types of events.

I encourage each Region and Chapter to consider these suggestions and develop other solutions in meeting the challenge of maintaining their vitality.

## **Just For Laughs**

1. I didn't know if my granddaughter had learned her colors yet, so I decided to test her. I would point out something and ask what color it was. She would tell me and was always correct. It was fun for me, so I continued. At last, she headed for the door, saying, "Grandma, I really think you should try to figure out some of these colors yourself!"

2. When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use Grandpa. Now the mosquitoes are coming after us with flashlights."

## THE EDITOR'S DESK

Hi everyone,

Spring is here right? The robins are back and flowers are beginning to bloom. The weather is starting to get warmer. Many of us may be thinking the same thing. Spring is here but sooner than we want it will be gone.

Get your motor running and enjoy it while you can and drive your car to events the region has planned.

Mark your calendar, the Spring dinner will be held on April 29 at the Country Club in Huntingdon located on Rt. 26 S.

There are several reasons you will not want to miss this dinner. #1 you can drive the old car, #2 enjoy socializing with fellow members #3, the food will be delicious, #4 the cost to you is very reasonable \$10.00, #5 there is going to be entertainment and #6 President Deno has a secret surprise that I can't tell you. Shh! You just have to come!

Into May we go and you will have a chance to participant in the first 1 day tour for 2017 in the Altoona Area.

On Memorial Day we will hold our annual show in Boalsburg (You will see more elsewhere in VL). Check the schedule of events and keep the dates you can attend.

Take a chance, take the region plunge. Why not meet up with other members in your town, attend functions and become an active member.

Check out the information on Region Badges and also Region shirts. These are going to be very nice. Info on both of these is elsewhere in this VL.

See you on the road!

## ≈.Name Badges ≈

Gladys Guyer

How many times when you have been to a show or dinner and think you know someone but can't remember the person's name. Probably more often than we would like to omit.

Wouldn't it be nice to wear a Region name badge, to allow others to know your name and represent AMR?

Others will actually be able to put a name with the face.

**Name badge actual size**

A name badge has been designed and approved by the Board for members of AMR. The size of the badge will be 2" x 3" (the size above) made of aluminum with strong premium magnetic backing, easy to put on and easy to take off. It will look like the one pictured above. You can see the color in version of the badge in this issue of Vapor Locks on our website. Members cost for a name badge is \$5.00, quite affordable for everyone.

If you would like to order a badge, I am taking orders. An order form is in the front of this issue of Vapor Locks. All you need to do is write your name the way you would like to have it printed on the Badge and mail it with your \$5.00. You can also turn in your order at Cook's Nite or the Spring Dinner. The badges will be completed by Memorial Day or sooner.

If you have any questions, contact either Gladys or Scott.

## A history of Automobiles from 1900 - 1991

by Ed Miller

as published in the

*AACA Southeastern National Winter Meet Magazine*

1910 - 1919

U.S. Car Sales:

1910 181,000

1910 Big 3 U.S.

Producers:

Ford 32,053

Buick 30,525

Willys-Overland

15,598

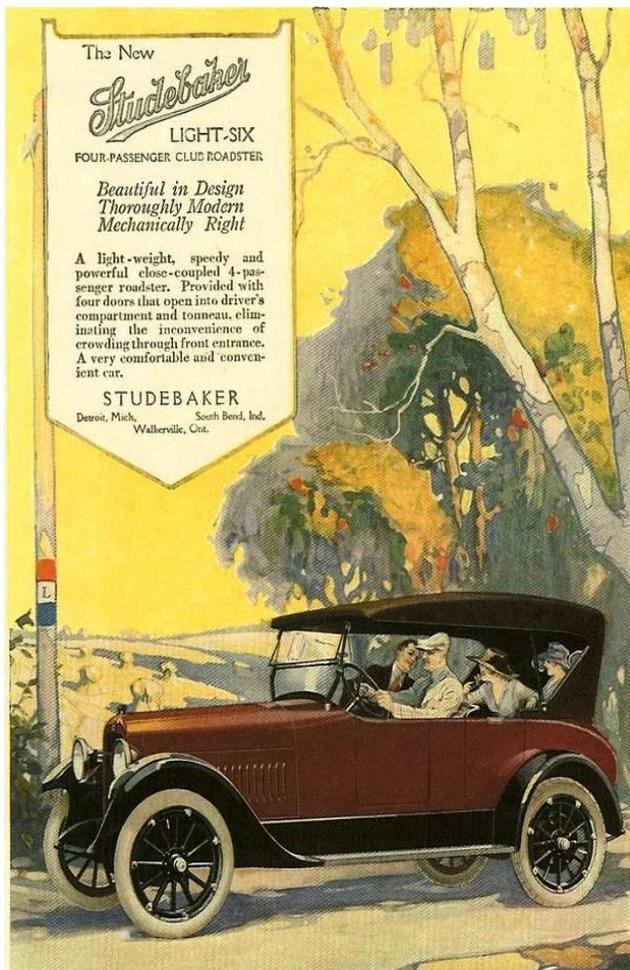

At the beginning of the decade, Ford was just starting to gear up for undreamed of production. In the last year of the decade, Ford would sell 820,445 Model T's at ever decreasing prices. Starting in 1912, Cadillac technology offered the public a modern electrical self-starting system created by Frank Kettering. No more cranking the engine by hand with a risk of a broken arm or worse. Also, electric bulbs replaced acetylene headlamps.

Tires became much

more reliable. Rather than last several hundred miles, tires could last a few thousand miles. Also during 1912, the harmonic balancer was developed. It's made of rubber and metal and significantly reduces engine vibration.

Although there were no car collectors, a few strange folks retired their old car in the back of the barn when they purchased a new car. There was no thought of that old Knox or White increasing in value. Probably it had been an important part of the family and rather than scrap it the old car was placed in retirement.

## COOK'S CORNER

### Buffalo Chicken Pull Apart Bread

Gladys Guyer

- 2 packages Pillsbury pizza dough
- 2 cups chicken, cooked and shredded or diced
- 1 cup Buffalo sauce
- ¼ cup scallions, chopped
- 2 ½ cups shredded pepper jack cheese
- ½ cup unsalted butter, melted
- 1 jalapeño, sliced (optional)
- Ranch dressing for dipping (optional)

Preheat oven to 350°F. Roll out dough and cut into 3x3-inch squares (3 rows of 5). You should end up with 15 squares from of each roll. In a bowl, toss together shredded chicken, Buffalo sauce, scallions and half the cheese. Begin layering. Brush butter on a rectangle, top with Buffalo chicken mixture, followed by a sprinkling of cheese. Repeat with remaining rectangles, stacking one of top of the other, chicken side up. Brush the inside of a loaf pan with melted butter. Load bread into loaf pan, and brush with remaining butter. Bake for 40–50 minutes.

### Pierogie Casserole

Gladys Guyer

- 16oz. frozen potato and onion pierogies

- 4 oz. cream cheese very soft.
- 1/2 cup sour cream
- 1/2 cup of chicken broth

Sprinkle with reserved green onions.

# JUST FOR THOUGHT

## MEMORIAL DAY

Memorial Day has come to mean the beginning of summer, a time for picnics and barbecues, and a holiday to gather around the family. That happiness and freedom, however, is a product of the real cause for the holiday: the sacrifice made by men and women who have fought and died for the freedoms and liberties Americans hold dear. Memorial Day is a time to remember that the American way of life is not cheap but rather has been purchased by the lives and blood of so many who have sacrificed for us to live free and happily now.

I watched the flag pass by one day. It fluttered in the breeze. A young Marine saluted it, and then he stood at ease. I looked at him in uniform so young, so tall, so proud, he'd stand out in any crowd. I thought how many men like him had fallen through the years. How many died on foreign soil? How many mothers' tears? How many pilots' planes shot down? How many died at sea? How many foxholes were soldiers' graves? No, freedom isn't free. I heard the sound of TAPS one night, when everything was still I listened to the bugler play and felt a sudden chill. I wondered just how many times that TAPS had meant "Amen," When a flag had draped a coffin of a brother or a friend. I thought of all the children, of the mothers and the wives, of fathers, sons and husbands with interrupted lives. I thought about a graveyard at the bottom of the sea of unmarked graves in Arlington. No, freedom isn't free.
